## **Data protection principles**

### **a) We fairly and lawfully process personal data in a transparent way**

Dumfries Choral Society will only collect data where lawful and where it is necessary for the legitimate purposes of the group.

Other data may also subsequently be collected in relation to their membership, including their payment history for 'subs'.
  - Lawful basis for processing this data: Contract (the collection and use of data is fair and reasonable in relation to Dumfries Choral Society completing tasks expected as part of the individual's membership).
- The name and contact details of volunteers, employees and contractors will be collected when they take up a position, and will be used to contact them regarding group administration related to their role.

Further information, including personal financial information and criminal records information may also be collected in specific circumstances where lawful and

necessary (in order to process payment to the person or in order to carry out a Disclosure Scotland / Disclosure and Barring Service check).

- Lawful basis for processing this data: Contract (the collection and use of data is fair and reasonable in relation to Dumfries Choral Society completing tasks expected as part of working with the individuals),

When collecting data, Dumfries Choral Society will always provide a clear and specific privacy statement explaining to the subject why the data is required and what it will be used for.

**c) We ensure any data collected is relevant and not excessive**

Dumfries Choral Society will not collect or store more data than the minimum information required for its intended purpose.

E.g. we need to collect telephone numbers from members in order to be able to contact them about group administration, but data on their marital status or sexuality will not be collected, since it is unnecessary and excessive for the purposes of group administration.

**d) We ensure data is accurate and up-to-date**

Dumfries Choral Society will ask members, volunteers and staff to check and update their data on an annual basis. Any individual will be able to update their data at any point by contacting the Secretary (our Data Protection Co-ordinator.)

### **e) We ensure data is not kept longer than necessary**

Dumfries Choral Society will keep records for no longer than is necessary in order to meet the intended use for which it was gathered (unless there is a legal requirement to keep records).

The storage and intended use of data will be reviewed in line with Dumfries Choral Society Data Retention Policy. When the intended use is no longer applicable (e.g. contact details for a member who has left the group), the data will be deleted within a reasonable period.

### **f) We keep personal data secure**

Dumfries Choral Society will ensure that data held by us is kept secure.

- Electronically-held data will be held within a password-protected and secure environment
- Passwords for electronic data files will be re-set each time an individual with data access leaves their role/position
- Physically-held data (e.g. membership forms or email sign-up sheets) will be stored in a locked cupboard
- Keys for locks securing physical data files should be collected by the Data Protection Co-ordinator from any individual with access if they leave their role/position. The codes on combination locks should be changed each time an individual with data access leaves their role/position
- Access to data will only be given to relevant Committee members/Ordinary members with specific roles in the Society (e.g. Website administration) where it is clearly necessary for the running of the group. The Data Protection Co-ordinator will decide in what situations this is applicable and will keep a master list of who has access to data

### **g) Transfer to countries outside the EEA**

Dumfries Choral Society will not transfer data to countries outside the European Economic Area (EEA), unless the country has adequate protection for the individual's data privacy rights.

- **Right of access:** individuals can request to see the data that Dumfries Choral Society holds on them and confirmation of how it is being used. Requests should be made in writing to the Secretary (our Data Protection Co-ordinator) and will be complied with free of charge and within one month. Where requests are complex or numerous this may be extended to two months

Dumfries Choral Society will always provide a way for an individual to withdraw consent in all marketing communications. Where we receive a request to stop using data we will comply unless we have a lawful reason to use the data for legitimate interests or contractual obligation.
- **Right to erasure:** individuals can request for all data held on them to be deleted. Dumfries Choral Society's data retention policy will ensure data is not held for longer than is reasonably necessary in relation to the purpose it was originally collected. If a request for deletion is made we will comply with the request unless:
  - There is a lawful reason to keep and use the data for legitimate interests or contractual obligation.
  - There is a legal requirement to keep the data.
- **Right to restrict processing:** individuals can request that their personal data be 'restricted' – that is, retained and stored but not processed further (e.g. if they have contested the accuracy of any of their data, Dumfries Choral Society will restrict the data while it is verified).

## Member-to-member contact

We only share members' data with other members with the subject's prior consent .

As a membership organisation Dumfries Choral Society encourages communication between members.

To facilitate this:

- Members can request the personal contact data of other members in writing via the Secretary. These details will be given, as long as they are for the purposes of contacting the subject (e.g. an email address, not financial or health data) and the subject has consented to their data being shared with other members in this way.

## How we get consent

Dumfries Choral Society will regularly collect data from consenting supporters for marketing purposes. This includes contacting them to promote performances, updating them about group news, fundraising and other group activities.

Any time data is collected for this purpose, we will provide:

- A method for users to show their positive and active consent to receive these communications (e.g. a 'tick box')
- A clear and specific explanation of what the data will be used for (e.g. 'Tick this box if you would like Dumfries Choral Society to send you email updates with details about our forthcoming events, fundraising activities and opportunities to get involved')

Data collected will only ever be used in the way described and consented to (e.g. we will not use email data in order to market 3rd-party products unless this has been explicitly consented to).

Every marketing communication will contain a method through which a recipient can withdraw their consent (e.g. 'Please notify me if you want to be removed from this mailing list' included in the 'Signature area' in an email). Opt-out requests such as this will be processed within 14 days.
